Silver Spring, MD 20904
Ph. 301-593-6844 Fx 301-593-3832

PATIENT PORTAL AUTORIZATION FORM

Maryland Internal Medicine's Patient Portal (Healow) offers Convenient and secure access to your personal health record. As the patient, you are in control of your portal record: we will not activate your personal account unless you authorize us to do so.

Note: because personal identifying information and other information about your health and medical history is available via the Portal, it is very important that you keep your password private. Do not share your password with anyone or write it in the place easily accessible to others.
